U.S. ARMY MANEUVER SUPPORT CENTER OF EXCELLENCE
200 OKLAHOMA AVENUE, BLDG 2100
FORT LEONARD WOOD, MO 65473-8930

Dear Soldier:

Congratulations on your upcoming assignment to the 43d Adjutant General Battalion (Reception). On behalf of everyone in the Battalion, let me welcome you. We are looking forward to you joining our team.

The 43d Adjutant General Battalion (Reception) has the distinction of being the second largest Reception Battalion in the U.S. Army, receiving and processing approximately 30,000 Initial Entry Training (IET) and Prior Service Soldiers (PSS) each year. In addition, we conduct rehabilitation and discharge operations for IET and PSS.

Fort Leonard Wood is a first class installation and offers a wide variety of services and facilities. There is a modern commissary and post exchange, a state of the art fitness center and a great lodging facility. It is a safe place to work and play, and the local communities offer a variety of activities.

The Fort Leonard Wood area offers much excitement and entertainment for yourself and family members. It is nestled within the beautiful Mark Twain National Forest; which offers excellent outdoor adventures such as camping, hiking, fishing, and golf. St. Robert and Waynesville, two local communities right outside the Fort Leonard Wood Gate, offer a movie theater, several popular restaurants, and coming soon a brand new water park. Osage Beach nearby offers a premium shopping outlet within an hour drive, while Springfield and St. Louis are both within a two hour drive away.

I am certain you will enjoy your assignment here at Fort Leonard Wood, especially as a member of the 43d AG Battalion (Reception), and will look upon it as one of the highlights of your military experience.

Soldiers for Freedom!

Sincerely,

Melinda S. R. Romero
